BOY CHAUFFEUR HELD FOR TRIAL

Rasmus Johnson Charged With Manslaughter for Killing of Mrs. Hanson.

THIS IN ACCORD WITH FINDING OF THE JURY

Reckless Driver to Be Arraigned Before Judge Bowman This Morning.

Body of Coroner's Verdict.

a blow from an automob by Rasmus Johnson at contrary to the ordinance Salt Lake City and the statute the state of Ulah, namely exf the state of the same bour couling ten miles an hour JOSEPH II. TRACY, G. ALBERT ALDER, A. V. THOMPSON.

In chapter 14, page 1286, section 4162, in the Compiled Laws of Utah, manslaughter is defined as follows: Mauslaughter is the unlawful killing of a human being without malice. It is of two kinds; first, voluntary, upon a sadden quarrel or heat of passion; second, involuntary, in the commission of an unlawful act which might produce death, in a unlawful manner, or without due zutton and circumspection.

County Attorney Job P. Lyon issued complaint against Rasmus Johnson Thursday afternoon, charging him with nvoluntary manslaughter, after the verdict of the coroner's jury had been re plaint ever issued in this county followng an auto accident. He will be arraigned before Judge Bowman Friday norning at 16 o'clock, at which time his preliminary hearing, according to Assistant County Attorney Bowman, will b set for about June 24. He was released from the city jail Thursday night at 8 clock on \$1000 bail, which amount was fixed earlier in the evening by Judge Bow-

The funeral of Mrs. Hanson will be held from the Second ward chapel Friday afternoon at 2 o'clock, with interment in the City cemetery. Friends are invited to attend.

Additional Testimony.

Halph H. Armstrong, the drugglet, tes-tified Thursday morning that none of the nen in the machine was under the influ-ence of liquor at the time of the acci-dent, that he knew nothing about an automobile and could not say whether the brakes had been applied or not, but that the machine had been brought to a

Stayner, \$24 Tempest avenue Austen Stayner, \$24 Tempest avenue, and Harry Bowdish, 1349 South Tenth last street, testified to practically the ame points. Walton Crampton, 950 trineston avenue, testified that he was a the front seat with Johnson; that he id not look to see who got off the street ar; but that he saw a woman and a lid standing near the crossing when the oman started to run just before the machine struck for and that he did not now hist how, fast the machine was woman started to run just before the machine struck her and that he did not know hast how fast the machine was golick, but that it was quickly stopped. The large then took the Liberty park are and went to the scene of the accident. There the testimony of C. H. Burritt, an automobile speed expert, was taken. He gave a demonstration with an automobile traveling twenty miles per lour and showed that by applying all possible means to stop the car it could be stopped in about fifty feet. The jury lien returned and submitted its find

Mr. Carlquist Objects.

C. A. Carlouist of the firm of Burt & ariquist, which employs Johnson, came . The Tribune office Thursday morning Carlouist, which employs Johnson, came to The Tribune office Thursday morning and branded the statement appearing in The Tribune that the Johnson boy treated the coroner's inquest in a spirit of levity and laughed when answering the questions of Assistant County Attorney Bowman as an untruth. To a representative of The Tribune Mr. Carlquist admitted, hister, however that during the time when the boy was laughing he. Carlquist, had been using the telephone and was not the boy was laughing he Carlquist, had been using the telephone and was not sure as to whether the boy had laughed or not. Assistant County Attorney Bowman was asked if he remembered the incident and stated that he positively did remember it and that he received the impression that Johnson was treating the inquest in a very light manner. Constable Peter Hansen was asked if he remembered the incident, and he was also positive that the boy had laughed.

While the coroner's jury was arriving

While the coroner's jury was arriving a vergict Thursday the relatives of Johnson, by their strained, facetious jests regarding the accident, caused the tre of Constable Hansen to rise, and he told them in no uncertain manner that these two sides to the story of the killing

DOULL JURORS MEETING RUNS SAMPLE LIQUOR AFOUL THE LAW

Then Are Severely Rebuked for Councilmen Call Special Ses- Willy Beyhl, Despondent Ger-Their Conduct by Judge sion, but Find Action Con-Lewis. trary to Statutes.

SAYS THEIR ACT MAY RESULT IN NEW TRIAL

Druggist Found Guilty of IIlegal Liquor Sale Says Will Ask Another Hearing.

heir duty to sample the evidence in the case, the jurors in the action of Salt night to complete the work left last Mon-Lake City against J. M. Doull, a drug-day night, but it fell through because gist, charged with selling liquor without a license, Thursday drank all the liquor call for the meeting, signed by Council-In evidence and afterward re- men Mulvey and Reed. It was contended ceived a severe rebuke from Judge Lewis by Mr. Hall that all the members of the cause of their conduct.

Part of the evidence in the case was a pint bottle of whisky, from which several drinks had been taken. When the case was submitted to the jury the wasky was taken up to the juryroom, and when the jurors returned with their verdict of guilty the empty bottle also returned into court.

Of the meeting, as required under the statute, hence, he asserted, the meeting has contention the result as section from the compiled laws of Utah governing that matter, and it was conceed by several other members that the objection was well taken. The meeting had been called to order and Mr. Morelon had been chosen as chairman on account of the absence of Part of the evidence in the case was a of the meeting, as required under the

was returned into court.

Judge Lewis asked the foreman of the jury what became of the whisky, and he was informed that the jurors drank it. The court then scored the jurors for their conduct and expressed himself as being much shocked at their action, explaining that under the law no liquor could be allowed in the juryroom. He declared that their conduct may result in a new triad of the case.

The attorneys for Doull were given until June 4 to file a motion for a new irial, and, judging from the remarks of Judge Lewis there is little doubt that the motion will be granted. In the event

motion will be granted. In the event a new trial is granted, it may be a ard matter to secure another convic-ion, as all the liquor has been con-umed, none being left to be introduced in evidence in the next trial.

Doull was found guilty in the police ourt and was fined \$200. He was again found guilty in the district court Thurs-day by a jury, which was not a tem-perance one, for that day at least.

NEW OFFICERS NAMED BY UTAH MANUFACTURERS

The residence is a two-story brick and is erected on ground having a frontage of \$12\frac{1}{2}\$ feet and a depth of 120 feet.

THE CANTATA, "A Dream of Flowers," given in the Fourth ward anusement hall Thursday evening, under the auspices of the V. L. M. I. A., was a big success. The attendance was large, and the first shore and their roles in the being clear affair of its kind ever held in the exampment promises to be the biggest affair of its kind ever held in the examplent promises to be the biggest affair of its kind ever held in the participants enacted their roles in in the west.

STORING OF THE UTAH WOOL CLIP

Contract Signed on Thursday Secretary Stewart With Boston Firm.

MANY INQUIRIES BEING MADE BY WOOLGROWER

Large Portion of Utah Flee Not Contracted for Will Be Stored.

ortion of the Utah wool clip, which confracted for, was virts settled Thursday afternoon, when C Stewart, secretary of the Utah Woolg with agents of Jeremiah Williams & of Boston, the firm in whose ware the wool will be stored. Mr. Ste states that the storage wholly in the interest of the Utah gre There is no graft or private parties ected with it. The Williams cor will get its usual commission, and in dition to this the woolgrower wi ourse, pay the cost of insurance ctual cost of storage.

actual cost of storage.

Mr. Stewart stated Thursday that contract was made with the Boston because it has the facilities to ha the wool and the financial ability make the cash advance to the growth of the Cost of Boston through the associate will receive at point of shipmen per cent of the market value of wool.

No Hurry to Sell.

The shipper can hold his wool whe pleases—six months or a year be interest to be charged on the dvanced will be 6 per cent per he wool will not be disposed on the owner gives his orders, through sectation, to do so, and when a alance use will be remitted

At present the Boston firm has no be shipper from this section will be shipper from the section will be shipped average to sell that class wool. In the meantime the shipped average his wool on the market; it would insured, and when the market it favorable turn all he will have will be to give an order to sell.

A bulletin to all sheepmen has ssued by C. R. Stewart, secretary essociation, giving all the details of storage movement, and already manually shaped to the state and some from Idaho.
